CHORUS MOTORS PUBLIC LIMITED COMPANY

DIRECTORS' REPORT

The directors submit their report and the audited financial statements for the year ended 31 March 2001.

Corporate Profile

The Company was incorporated on 18th March 1999 in Gibraltar as Borealis Motor Manufacturing Limited. The Company changed its name to Chorus Motors Limited on 1st June 2000 and further changed its name as noted upon re-registration in Gibraltar as a public limited company on 27th July 2000.

Activities

The principal activity of the Company is that of researching and developing the “Chorus Motor” technology.

Results and Review of Business

The results for the year are shown in the profit and loss account on page 6.

Borealis Technical Limited (“Technical”), the parent company, has conducted basic industrial research on its “Chorus Motor” technology since 1998 for which it has patents issued and pending. All of the research expenditures to date have been undertaken by Technical and funded by Borealis Exploration Limited, the ultimate parent of the Company. Technical had received deposits in the current and prior year on behalf of the Company towards the issue of shares in the Company.

An Intellectual Property Agreement was signed effective 1st January 1999, whereby Technical has granted the Company the exclusive worldwide rights for sublicensing the “Chorus Motor” technology. In consideration for the rights granted to the Company, the Company shall pay Technical an 8% royalty based on net sales of licensed products and services sold by the Company and 50% of all sublicense income. To date the “Chorus Motor” technology is still under development such that the Company has not made any related sublicense sales.

DIRECTORS' REPORT (Continued)

Results and Review of Business (Continued)

The Company has been in the development stage since its inception. The Company intends to retain its sublicense rights granted by Technical. These financial statements have been prepared in accordance with generally accepted accounting principles with the assumption that the Company will be able to realize its assets and discharge its liabilities in the normal course of business rather than through a process of forced liquidation. From inception to 31st March 2001, the Company has lent money raised on its behalf to Technical and Borealis Exploration Limited, who are also in a development stage and have conditions subject to raising substantial doubt about their ability to continue as a going concern. These conditions also raise substantial doubt about the ability of the Company to continue as a going concern. Management of the Company has indicated they have no intention to demand repayment of the amounts owing from Technical until the "Chorus Motor" technology is being sold in the marketplace. The Company and Technical are actively working together to negotiate sales or further sublicensing of its technology to various parties, which is expected to generate profitable operations in the future. To the extent additional funds are required, the Company will attempt to raise these funds through future sales of its own shares. However, there can be no assurance that the Company will be successful in its actions. The financial statements do not contain any adjustments which might be necessary if the Company is unable to continue as a going concern.

During the 2000 fiscal year the Company further entered into an agreement with a certain contractor of Technical. Pursuant to this agreement the Company is granting the contractor certain sublicensing rights for the "Chorus motor" technologies in the Canadian market. In consideration for the rights granted to this contractor, the Company will be entitled to a 4% royalty based on net sales of licensed products and services sold by the contractor and 50% of all sublicense income in the Canadian market. The Company will have the right to terminate such sublicense rights to the contractor, on or before 1st April 2004, should the value of certain stock and stock options of the Company already issued to the contractor and any further cash or securities paid to the contractor exceed \$10,000,000 CDN.

Dividends

There were no dividends declared during the year.

Directors and their Interests

The directors who served during the year were as stated on page 1.

REPORT OF THE AUDITORS

To the members of Chorus Motors Public Limited Company

We have audited the financial statements on pages 7 to 8 which have been prepared under the historical cost convention and the accounting policies set out on page 9.

Respective responsibilities of directors and auditors

As described in the report of the Directors, the company's Directors and management are responsible for the preparation of financial statements. It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you. We have not audited the comparative figures, which were audited by other auditors, who expressed an unqualified opinion on the statements on which these are based.

Basis of opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the accounts and disclosure in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

In forming our opinion, we have considered the disclosures made in note 2 of the financial statements in connection with the application of the going concern basis and the uncertainty with regards to securing continued financial support. In view of the significance of these matters we consider they should be drawn to your attention but our opinion is not qualified in these respects.

Opinion

In our opinion the financial statements give a true and fair view of the state of affairs of the company and group as at 31st March 2001 and of the loss and cash flows of the group for the year then ended in accordance with Gibraltar Accounting Standards and have been properly prepared in accordance with the Gibraltar Ordinance 1930 and the Gibraltar Companies (Accounts) Ordinance 1999.
